Please help us by bundling your goodies in 2 gallon baggies, with NO written markings, just in case we need to mix and match. How it works: On Saturday, tables will be set up displaying items for auction. Each participant will receive a bidding number. Bidding will begin and end at a specific time, and winners will collect their items after they pay. All proceeds will go to the Retreat Center as undesignated donations. Unsold items will be donated to the Country Store at the June show for the benefit of the guild.

**RETREAT BLOCK:** Everyone will be provided with fabric and a pattern to make a retreat block. A drawing for the completed blocks will be held on Sunday morning.

**There are limited spaces available at the camp.** Reservations will be held when check is received. Make check payable to **Annapolis Quilt Guild**. Send registration form below, with your check, to Judy Meade to reserve your space.
