

**Workshop Title:** Fast Piecing with Seminole Techniques

**Description:** Learn how a technique for making bands and quilting units using a piecing technique based on the Seminole patchwork technique that was created by the Seminole Indians.

**Level:** Beginning and Intermediate or Advanced

**Sewing Machine Used:** Yes

Students will be creating units that are made from long strips, and then sewn together, cut, and remade into a Seminole pattern. The strips will be suitable to be used in a small quilt, wall hanging, or garment. Please note: this class will focus on Seminole techniques, as opposed to Seminole piecing, and it is suitable for experienced beginner, intermediate and advanced sewers.

A sewing machine and supplies are required.

*Seminole piecing originated from the Seminole patchwork used in the clothing created by Seminole Indians*

- Fabric of at least 5 colors and in a variety of prints and solids (both contrasting and matching fabrics are ideal). 1/4 yard to 1/2 yard pieces.
